Office of Surgeon General Awards AcisTek Five Year Prime Contract

AcisTek to Deliver Broad Range of IT Services

ARLINGTON, VIRGINIA – November 1, 2017 -- AcisTek Corporation (AcisTek), a leading provider of IT Professional Services to the Public and Commercial Sectors is very pleased to announce the award of a five-year Prime Contract with the U.S. Department of Health and Human Services (HHS) Office of Surgeon General (OSG). Through this contract AcisTek will deliver a broad range of IT Professional Services to OSG which oversees, the U.S. Public Health Service Commissioned Corps, a diverse team of more than 6,500 highly qualified, public health professionals.

AcisTek's CEO Al Horowitz commented:

"We are very excited to be a Prime Contractor serving this elite group of dedicated and highly skilled public health care professionals. Working together with OSG Management we are thrilled to have our services directly support the Commissioned Corps which for more than 200 years has been on the front lines of our strengthening our nation's public health."
