## AcisTek Corporation Announces New Human Resources Director

*Mrs. Tiffany Emerson Comes to AcisTek with Extensive Experience and Big Plans*

**ARLINGTON, VIRGINIA** – January 3, 2017 -- AcisTek Corporation (AcisTek), a leading provider of IT Professional Services to the Federal Government, has recently brought on board Mrs. Tiffany Emerson to the newly created position of Human Resources (HR) Director. Mrs. Emerson comes to AcisTek with extensive experience in HR leadership roles across several large businesses in the National Capital Region. Ms. Emerson will be reporting directly to AcisTek CEO Al Horowitz, and will be an active participant in AcisTek's Leadership Team.

AcisTek's HR Department is vital to the success of AcisTek clients, business partners, employees and the company itself. As AcisTek continues to grow, the corporation's three-pronged HR Strategy of Attract, Develop, Keep (ADK) will fuel the continued success of AcisTek clients, business partners, employees and the company itself.

AcisTek's CEO Al Horowitz commented:

*"We are a rich and diverse culture of hard working professionals from many different backgrounds united in a common purpose to empower our clients and ourselves to exceed expectations by delivering quality, results and value every day in all that we do. We are thrilled to have Tiffany on board to fuel the continued success of our greatest asset, our people."*

AcisTek has been growing-- adding resources, clients and projects to its portfolio. Ms. Emerson brings experience and innovation to critical HR functions including recruiting, employee development and engagement, benefits administration, performance management and policy development and administration.
